How to use this guide

The color coded sections in this guide correspond with the city index on page 3.

The cities and map page numbers are listed in the color section at the top of each page.

Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a RoomSaver coupon. They will be happy to let you know if the coupon rate is available.

LOOK FOR THE CALL AHEAD RATE

When the hotel has this icon in their coupon you can call ahead to reserve your room at the listed rate.

Litter bugs.™

Litter that finds its way into highway storm drains could end up polluting our lakes, rivers and beaches. We are all responsible for helping reduce the amount of litter that ends up in our water system through storm drains.

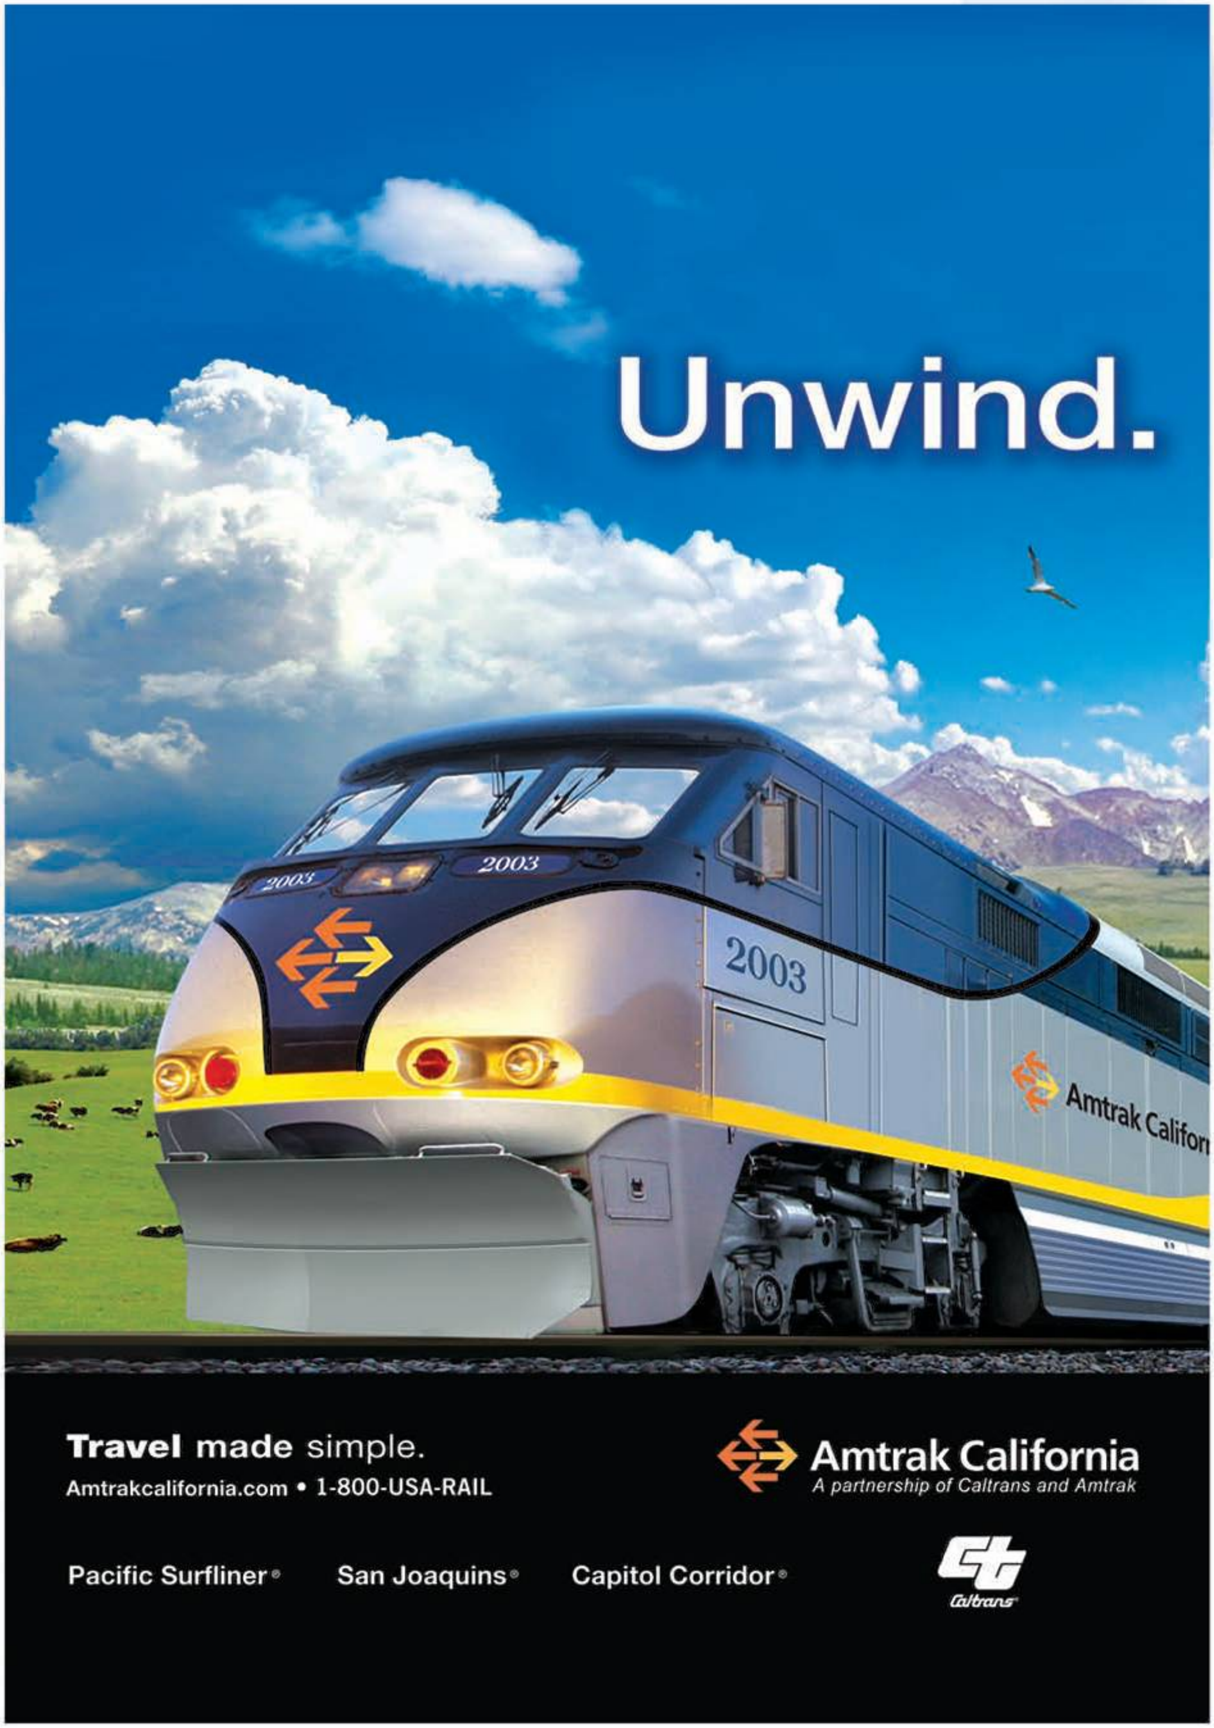

There are many ways you can help prevent this kind of pollution:

- *Never throw any trash or litter on the ground.*
- *Never throw anything out a car or truck window*
- *Always carry a litter bag in your car.*
- *Securely cover open loads on all trucks.*
- *Pick up litter in your neighborhood.*
- *Set an example for others by not littering.*

Thank you for helping keep California clean!
